*Be it hereby known to all that:
The First Selectman
offers his sincerest congratulations to:*

Mystic Ballet

In recognition of their mission to train pre-professionals as well as those interested in developing an appreciation of dance as an art form and enjoyable recreational activity. The First Selectman also congratulates you as being the most progressive ballet company in the region and looks forward to working with you to launch a renowned performance festival, establish a local performance venue, and make Mystic a location of ballet excellence.

The First Selectman extends his very best wishes with this premier performance this evening
